

THE NEW FIRE STATION WILL COST TAXPAYERS

\$54.5 Million

over the life of the bond (principal plus about \$21 million in interest). That's an estimated **\$7,800** for a typical home, added on top of the property taxes you already pay.

We are not saying yes or no. We are saying a \$54.5 million decision belongs on the ballot. Let the voters decide.

What will it cost *your* home?

Scan the code or visit the site to use the cost calculator, see your home's exact share, and read the numbers for yourself.

Sign and return, in 3 steps

- 1 Sign the attached petition in blue or black ink.**
No petition attached? Download and print one at letvhvote.com. Pen only, no photocopies, scans, or emailed signatures.
- 2 Fill in every box on your line: full name, date, year of birth, address, city, and county.**
Leave any one box blank and that whole line gets thrown out.
- 3 Sign your name exactly as it appears on your voter registration.**
Not sure how you are registered? Check at letvhvote.com before you sign.

Then drop it off at either location

715 Hiawatha Avenue

Vadnais Heights, MN 55127 Secure dropbox at the front door

3720 Edgerton Street

Vadnais Heights, MN 55127 Corner of Edgerton & Koehler

Prefer to mail it? That works too, just allow enough time to arrive before the deadline.
